Product Description

1.4 L Cookies and Baklava Tin Box

The 1.4 Liter Cookies and Baklava Tin Box is a metal box designed for cookies, confectionery and small treats with its mini round form and decorative cordon. With a Ø87 mm diameter and 36 mm height, it suits fill volumes ranging from 0.25 to 1 liter. This product belongs to the Cookies, Baklava, and Syrup-Based Dessert Tin Boxes series under Kontensan's Food Tin & Metal Packaging main category.

Decorative-Cordon Mini Round Box

As one of the smallest round forms in the series, this box is ideal for single gifts, samples and small-portion presentations. The decorative cordon adds an elegant frame look; its flat structure takes up little space on the shelf and in a box. It suits cookies, dragée, Turkish delight and similar small treats.

Uses

The cookies and baklava tin box suits dessert makers, patisseries and gift producers. Its mini round form stands out in single and decorative gift presentations.

Printing and Coating Options

A printed cookie tin can be produced with a wide range of internal and external coatings such as silver lacquer, gold lacquer, enamel, pigment lacquer and decorative gold lacquer. Metal offset printing allows custom decorative designs to be applied to the round surface.

Durability and Food Safety

The clinch-seam round body and food-grade lacquer systems support durability and hygiene throughout the shelf life.

Kontensan Production Assurance

Kontensan supports production reliability with its quality, environmental and food safety management system certifications. With 46 years of manufacturing experience, it supplies metal dessert boxes from Türkiye to more than 30 countries. Production in an alternative size such as 300 ml is also possible.

Frequently Asked Questions - FAQ

What is a mini round box suitable for?

It suits single gifts, samples and small-portion presentations. It is ideal for cookies, dragée, Turkish delight and similar small treats.

How much fits in a 1/4 liter box?

The mould offers filling from 0.25 to 1 liter. The amount varies with the type and size of cookies, confectionery or Turkish delight.

What does the decorative cordon provide?

The decorative cordon is a frame-shaped bead applied to the body and lid of the tin; it adds visual richness and brings structural strength.

Can custom brand printing be applied?

Yes. With metal offset printing and various lacquer options, custom, decorative cookie and baklava boxes can be produced.
