Product Description

1 Liter Slip-Lid Candy Gift Tin Box

The 1 liter slip-lid candy gift tin box PA is a decorative metal package designed for confectionery, dragee, Turkish delight, chocolate, and similar products that need protection and gift-ready presentation. The PA technical sheet lists a 175 mm diameter, 38 mm main technical height, and an applicable capacity range of 1–7 liters. A slip lid and lock-seamed body create a clean and practical package form. Manufactured by Kontensan, this candy tin is suitable for decorative confectionery packaging, printed candy tins, gift tins, round metal candy boxes, and branded metal packaging. The phrase tin can may also be used as a common search term.

Key Features of the 1 Liter Candy Gift Tin Box

Ø175 mm Diameter and 1–7 L Capacity Range

This product is part of Kontensan's Food Tin & Metal Packaging main category and the Candy Gift Tin Boxes subcategory. The Ø175 mm diameter and 38 mm main technical height create a balanced package format with a useful branding surface. The 1–7 L applicable capacity range supports different filling plans within the same mold family.

Slip Lid and Lock-Seamed Body

The technical sheet lists a slip lid and a lock-seamed body. No opening, handle, hinge, seam coating, form, or bead is listed. This simple construction supports decorative gift tins and custom-printed confectionery packaging where a clean metal body and reliable lid format are preferred.

Decorative Coating and Offset Printing Options

Inner coating options include silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, cream enamel, beige, clear lacquer, cream lacquer, decorative gold lacquer, and grey lacquer. Outer options include silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, and decorative gold lacquer. These options support branded candy tins, printed confectionery tins, wholesale gift tins, and custom packaging.

Frequently Asked Questions - FAQ

What is the capacity range of the 1 liter candy gift tin box?

The PA technical sheet lists an applicable capacity range of 1–7 liters.

Which lid is used?

The source lists a slip lid.

Is the body welded or lock-seamed?

The body is lock-seamed and the source lists no seam coating.

Can the box be custom printed?

Yes. Offset printing is listed among the outer coating options, supporting custom-printed candy tin projects.
