Product Description

1 Liter Turkish Delight and Chocolate Tin Box
The 1 liter Turkish delight and chocolate tin box PA is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, and confectionery products. For the PA mold, the technical sheet lists a 175 mm diameter, 38 mm mold height, and an applicable volume range of 1–7 liters. A slip lid provides simple opening and closing, while the lock-seamed body supports clean serial production. The product has no hole, handle, hinge, or decorative bead. Manufactured by Kontensan, this model is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, Turkish chocolate box, and branded confectionery packaging projects.
Key Features of the 1 Liter Turkish Delight and Chocolate Tin Box
175 mm Diameter and 1–7 L Capacity Range
This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. The 175 mm diameter provides a useful branding and product presentation surface. The 1–7 L applicable volume range supports different filling quantities for Turkish delight present, Turkish delight gift box, chocolate tin, and export packaging projects.
Slip Lid and Lock-Seamed Body
The PA tin box uses a slip lid. The body construction is lock-seamed, and the technical sheet states that no seam coating is applied. Available metal thickness options are 0.24 mm, 0.25 mm, and 0.28 mm. This simple construction gives the package a reliable base for branded serial-production projects.
Offset Printing and Coating Options
The inner surface can use silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer.
Applications and Brand Value
The 1 liter Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. Its round metal surface creates a strong branding area, especially for gift and premium retail packaging. Offset printing supports logos, product graphics, and brand colors directly on the tin. Kontensan combines coating and printing options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.
Frequently Asked Questions - FAQ
What are the dimensions of the 1 liter tin box?
The PA technical sheet lists a 175 mm diameter and 38 mm mold height. The alternative 1 L sample product is listed with an actual product height of 50 mm.
What volume range is available for this tin box?
The technical sheet states an applicable volume range of 1–7 liters for the PA mold.
Is this tin box lock-seamed?
Yes. The PA technical data identifies the body construction as lock-seamed and states that no seam coating is used.
Can this tin box be offset printed?
Yes. Offset printing is listed among the available outer coating options in the technical sheet.
