Product Description

2 Liter Turkish Delight and Chocolate Tin Box

The 2 liter Turkish delight and chocolate tin box AS is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, confectionery, and regional specialties. For the AS mold, the technical sheet lists a 184 mm diameter, 170 mm length, 60 mm mold height, and 2 L volume. Its balanced body shape works well for both shelf presentation and carton use. A slip lid provides simple opening and closing, while the lock-seamed body supports clean serial production. Manufactured by Kontensan, this model is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, Turkish chocolate box, and branded confectionery packaging projects.

Key Features of the 2 Liter Turkish Delight and Chocolate Tin Box

184 × 170 mm Body and 2 L Capacity

This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. The 184 × 170 mm body provides a balanced and broad branding surface. The 2 L capacity supports medium filling quantities for Turkish delight present, Turkish delight gift box, chocolate tin, and export packaging projects.

Slip Lid and Lock-Seamed Body

The AS tin box uses a slip lid. The body construction is lock-seamed, and the technical sheet states that no seam coating is applied. The product has no hole, handle, hinge, or decorative bead. Available metal thickness options are 0.24 mm and 0.25 mm. This structure gives the package a clean and practical base for branded serial-production projects.

Offset Printing and Coating Options

The inner surface can be produced with silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer. These options support branded Turkish delight chocolate box, Turkish candy box, and chocolate tin projects.

Applications and Brand Value

The 2 liter Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. Its balanced body shape supports efficient shelf and carton use, while the metal surface provides a strong area for offset printing and brand communication. Kontensan combines coating and printing options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.

Frequently Asked Questions - FAQ

What are the dimensions of the 2 liter tin box?

The AS technical sheet lists a 184 mm diameter, 170 mm length, and 60 mm mold height. The alternative 2 L sample product is also listed with an actual product height of 60 mm.

What is the capacity of this tin box?

The technical sheet states a 2 L volume for the AS model.

Is this tin box lock-seamed?

Yes. The technical sheet identifies the body construction as lock-seamed and states that no seam coating is used.

Can this chocolate tin box be offset printed?

Yes. Offset printing is listed among the available outer coating options in the technical sheet.
