Product Description

2 Liter Turkish Delight and Chocolate Tin Box
The 2 liter Turkish delight and chocolate tin box BC is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, confectionery, and regional specialties. For the BC mold, the technical sheet states a 215 mm diameter, 215 mm length, 35 mm mold height, and an applicable volume range of 1.6–3.2 liters. The main advantage of this tin box is its two lid options: a slip lid and a window lid. The slip lid offers simple everyday use, while the window lid supports product visibility. Manufactured by Kontensan, this tin box is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, and Turkish chocolate box projects.
Key Features of the 2 Liter Turkish Delight and Chocolate Tin Box
Slip Lid and Window Lid Options
This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. The BC tin box can use either a slip lid or a window lid. The slip lid provides a clean closure, while the window lid makes the product visible inside the package. This is useful for Turkish delight present, Turkish delight gift box, and premium chocolate tin packaging.
Lock-Seamed Body and Wide Print Area
The 215 × 215 mm body gives the chocolate tin box a broad metal surface for branding. The body construction is lock-seamed, and the technical sheet states that no seam coating is applied. The product has no hole, handle, hinge, or decorative bead. Available metal thickness options are 0.24 mm and 0.25 mm.
Offset Printing and Coating Options
The inner surface can use silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer. These options support branded Turkish delight chocolate box, Turkish candy box, and chocolate tin projects.
Applications and Brand Value
The 2 liter Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. The window lid supports product visibility, while the slip lid offers a simpler presentation. The broad metal surface provides a strong area for offset printing and clear brand communication. Kontensan combines coating, printing, and lid options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.
Frequently Asked Questions - FAQ
What are the dimensions of the 2 liter tin box?
The BC technical sheet lists a 215 mm diameter, 215 mm length, and 35 mm mold height. The two alternative 2 L sample products are listed with an actual product height of 38 mm.
What lid options are available?
The technical sheet lists a slip lid and a window lid.
Is this tin box lock-seamed?
Yes. The technical sheet identifies the body construction as lock-seamed and states that no seam coating is used.
What is the benefit of the window lid?
The window lid supports product visibility and can strengthen gift and premium chocolate presentations.
