Product Description

3.5 Liter Candy Gift Tin Box

The 3.5 liter candy gift tin box EI is a decorative metal package designed for confectionery, dragee, Turkish delight, chocolate, and similar products that need protection and gift-ready presentation. The technical sheet lists a 325 mm diameter, 205 mm length, 52 mm height, and a 3.5 L volume. A slip lid and lock-seamed body create a clean and professional structure. Manufactured by Kontensan, this candy tin is suitable for decorative confectionery packaging, printed candy tins, gift tins, and branded metal boxes. The phrase tin can may be used as a common search term, but the product itself is presented as a candy gift tin box.

Key Features of the 3.5 Liter Candy Gift Tin Box

325 × 205 mm Size and 3.5 L Volume

This product is part of Kontensan's Food Tin & Metal Packaging main category and the Candy Gift Tin Boxes subcategory. The 325 × 205 mm body size and 52 mm height create a wide-format package for larger confectionery selections. The 3.5 L volume works well for mixed candy, dragee, Turkish delight, chocolate, and premium gift assortments.

Slip Lid and Lock-Seamed Body

The technical sheet lists a slip lid and a lock-seamed body. No opening, handle, hinge, form, or bead is listed. This simple construction supports a clean package appearance and leaves the focus on decoration and branding.

Decorative Coating and Offset Printing Options

Inner coating options include silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer plus lacquer, double pigment lacquer, cream enamel, beige, clear lacquer, cream lacquer, decorative gold lacquer, and grey lacquer. Outer options include silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, and decorative gold lacquer. These options support branded candy tins, printed confectionery tins, and custom gift packaging.

Frequently Asked Questions - FAQ

What are the dimensions of the 3.5 liter candy gift tin box?

The technical sheet lists a 325 × 205 mm body size and a 52 mm height.

Which lid is used?

The source lists a slip lid.

Can the box be custom printed?

Yes. Offset printing is listed among the outer coating options, supporting custom-printed and branded candy tin projects.

Is the body welded or lock-seamed?

The body is lock-seamed, and the source lists no seam coating.
