Product Description

3.5 Liter Turkish Delight and Chocolate Tin Box

The 3.5 liter Turkish delight and chocolate tin box EI is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, confectionery, and regional specialties. For the EI mold, the technical sheet states a 325 mm diameter, 205 mm length, 52 mm mold height, and 3.5 L volume. Its wide horizontal format gives brands more space for larger product quantities and strong visual presentation. A slip lid provides simple opening and closing, while the lock-seamed body supports clean serial production. Manufactured by Kontensan, this tin box is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, and Turkish chocolate box projects.

Key Features of the 3.5 Liter Turkish Delight and Chocolate Tin Box

325 × 205 mm Wide Body and 3.5 L Capacity

This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. The 325 × 205 mm body gives the tin box a broad metal surface. The 3.5 L capacity supports larger filling quantities for Turkish delight present, Turkish delight gift box, chocolate tin, and export packaging projects.

Slip Lid and Lock-Seamed Body

The EI tin box uses a slip lid. The body construction is lock-seamed, and the technical sheet states that no seam coating is applied. The product has no hole, handle, hinge, or decorative bead. Available metal thickness options are 0.24 mm and 0.25 mm.

Offset Printing and Coating Options

The inner surface can be produced with silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer. The broad metal surface supports clear logos, product graphics, and strong brand visibility.

Applications and Brand Value

The 3.5 liter Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. Its wide horizontal body supports larger product quantities and strong shelf visibility. The metal surface provides a broad area for offset printing and clear brand communication. Kontensan combines coating and printing options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.

Frequently Asked Questions - FAQ

What are the dimensions of the 3.5 liter tin box?

The EI technical sheet lists a 325 mm diameter, 205 mm length, and 52 mm mold height. The alternative 3.5 L sample product is also listed with an actual product height of 52 mm.

What is the capacity of this tin box?

The technical sheet states a 3.5 L volume for the EI model.

Is this tin box lock-seamed?

Yes. The technical sheet identifies the body construction as lock-seamed and states that no seam coating is used.

Can this chocolate tin box be offset printed?

Yes. Offset printing is listed among the available outer coating options in the technical sheet.
