Product Description

3 Liter Candy Gift Tin Box

The 3 liter candy gift tin box EU is a decorative metal package designed for confectionery, dragee, Turkish delight, chocolate, and similar products that need protection and gift-ready presentation. The EU technical sheet lists a 250 mm diameter, 36 mm main technical height, and an applicable capacity range of 2–9 liters. A slip lid and lock-seamed body create a clean and professional package form. Manufactured by Kontensan, this candy tin is suitable for decorative confectionery packaging, printed candy tins, gift tins, round metal candy boxes, and branded metal packaging. The phrase tin can may be used as a common search term, but the product is presented here as a candy gift tin box.

Key Features of the 3 Liter Candy Gift Tin Box

Ø250 mm Diameter and 2–9 L Capacity Range

This product is part of Kontensan's Food Tin & Metal Packaging main category and the Candy Gift Tin Boxes subcategory. The Ø250 mm diameter and 36 mm main technical height create a wide and balanced package format. The 2–9 L applicable capacity range supports different filling plans within the same mold family.

Slip Lid and Lock-Seamed Body

The technical sheet lists a slip lid and a lock-seamed body. No opening, handle, hinge, seam coating, form, or bead is listed. This simple structure is suitable for decorative gift tins and custom-printed confectionery packaging projects where a clean body form is preferred.

Decorative Coating and Offset Printing Options

Inner coating options include silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer plus lacquer, double pigment lacquer, cream enamel, beige, clear lacquer, cream lacquer, decorative gold lacquer, and grey lacquer. Outer options include silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, and decorative gold lacquer. These options support branded candy tins, printed confectionery tins, wholesale gift tins, and custom packaging.

Source Note

The EU main technical row lists a 36 mm height, while alternative L504 lists a 60 mm actual product height. These values are preserved separately.

Frequently Asked Questions - FAQ

What is the capacity range of the 3 liter candy gift tin box?

The EU technical sheet lists an applicable capacity range of 2–9 liters.

Which lid is used?

The source lists a slip lid.

Is the body welded or lock-seamed?

The body is lock-seamed and the source lists no seam coating.

Can the box be custom printed?

Yes. Offset printing is listed among the outer coating options, supporting custom-printed candy tin projects.
