Product Description

3 Liter Cookies and Baklava Tin Box
The 3 liter cookies and baklava tin box OA is defined in the technical sheet as a pail-style metal package for cookies, baklava, syrup-based desserts, and similar food products. For the OA mold, the technical sheet states a diameter of 153 mm and a mold

height of 38 mm. The same mold supports an applicable volume range of 0.7–5.2 liters. A pail lid, carrying handle, and single-bead pail form make this model different from standard metal tins. Manufactured by Kontensan, it is suitable for brands looking for a cookies tin, baklava tin, or branded metal package with easier handling and distinctive presentation.

Key Features of the Cookies and Baklava Tin Pail

Pail Lid, Handle and Single-Bead Form

This product is included in Kontensan's Food Tin & Metal Packaging main category and the Cookies, Baklava, and Syrup-Based Dessert Tin Boxes subcategory. The technical sheet lists a plain pail lid, pail handle, and single-bead pail form. This structure supports both handling and gift-style presentation.

Seamed Body and Seam Coating Options

The OA model uses a seamed body. The technical sheet lists several seam-coating combinations, including lacquered inside and outside, powder-lacquered inside with uncoated outside, lacquered inside with uncoated outside, powder-lacquered inside with lacquered outside, uncoated inside with lacquered outside, or no seam coating. Metal thickness options are 0.24 mm and 0.25 mm.

Offset Printing and Coating Options

The inner surface can be produced with silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer.

Applications and Brand Value

The 3 liter metal pail can be used for cookies, baklava, syrup-based desserts, premium food products, regional specialties, and corporate gift sets. The handle supports easier carrying, while the pail form helps the package stand out on the shelf. Offset printing also turns the metal surface into an active brand communication area.

Frequently Asked Questions - FAQ
