Product Description

3 Liter Turkish Delight and Chocolate Tin Box

The 3 liter Turkish delight and chocolate tin box AG is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, confectionery, and regional specialties. For the AG mold, the technical sheet states a 232 mm diameter, 232 mm length, 41 mm mold height, and an applicable volume range of 2–6 liters. A slip lid provides simple opening and closing, while the lock-seamed body supports clean serial production. Manufactured by Kontensan, this tin box is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, Turkish chocolate box, and wholesale confectionery packaging projects.

Key Features of the 3 Liter Turkish Delight and Chocolate Tin Box

Wide Tin Box Body and Flexible Capacity

This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. Its 232 × 232 mm format gives the tin box a broad surface, while the 2–6 L applicable volume range allows the same mold family to support different filling quantities. This flexibility is useful for Turkish delight present, Turkish delight gift box, chocolate tin, and export packaging projects.

Slip Lid and Lock-Seamed Body

The AG tin box uses a slip lid. The body construction is lock-seamed, and the technical sheet states that no seam coating is applied. The product has no hole, handle, hinge, or decorative bead. Available metal thickness options are 0.24 mm and 0.25 mm, making the package suitable for serial production.

Offset Printing and Coating Options

The inner surface can be produced with silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer. These options support branded Turkish delight chocolate box, Turkish candy box, and chocolate tin packaging projects.

Applications and Brand Value

The 3 liter Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. Its broad metal surface provides a strong area for offset printing and clear brand communication. Kontensan combines coating and printing options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.

Frequently Asked Questions - FAQ

What are the dimensions of the 3 liter tin box?

The AG technical sheet lists a 232 mm diameter, 232 mm length, and 41 mm mold height. The alternative 3 L Turkish delight tin is listed with an actual product height of 56 mm.

What volume range is available for this tin box?

The technical sheet states an applicable volume range of 2–6 liters for the AG mold.

Is this tin box lock-seamed?

Yes. The technical sheet identifies the body construction as lock-seamed and states that no seam coating is used.

Can this chocolate tin box be offset printed?

Yes. Offset printing is listed among the available outer coating options in the technical sheet.
