Product Description

3 Liter Welded Side-Seam Turkish Delight and Chocolate Tin Box

The 3 liter welded side-seam Turkish delight and chocolate tin box RA is a metal food package designed to protect, transport, and present Turkish delight, chocolate, dragees, confectionery, and regional specialties. For the RA mold, the technical sheet lists a 215 mm diameter, 35 mm mold height, and an applicable volume range of 1–8 liters. Its wide round body creates a strong visual surface for gift and premium retail presentation. A slip lid provides simple opening and closing, while the welded side-seam body can be produced with several seam-coating options. The technical sheet also lists a decorative bead. Manufactured by Kontensan, this model is suitable for Turkish delight tin box, Turkish delight gift box, chocolate tin, chocolate tin box, Turkish chocolate box, and branded confectionery packaging projects.

Key Features of the 3 Liter Welded Side-Seam Turkish Delight and Chocolate Tin Box

215 mm Diameter and 1–8 L Capacity Range

This product is included in Kontensan's Food Tin & Metal Packaging main category and the Turkish Delight, Chocolate and Dragee Tin Boxes subcategory. The 215 mm diameter provides a broad branding and product presentation surface. The 1–8 L applicable volume range supports different filling quantities for Turkish delight present, Turkish delight gift box, chocolate tin, and export packaging projects.

Slip Lid, Welded Side-Seam Body and Decorative Bead

The RA tin box uses a slip lid. The body construction is welded side-seam. Seam-coating options include lacquered inside and outside, powder-lacquered inside with uncoated outside, lacquered inside with uncoated outside, powder-lacquered inside with lacquered outside, uncoated inside with lacquered outside, or no seam coating. The product has no hole, handle, or hinge. Available metal thickness options are 0.24 mm, 0.25 mm, and 0.28 mm. The form / bead field lists a decorative bead.

Offset Printing and Coating Options

The inner surface can be produced with silver lacquer, gold lacquer, spot lacquer, double lacquer, pigment lacquer, pigment lacquer + lacquer, double pigment lacquer, cream enamel lacquer, beige lacquer, clear lacquer, cream lacquer, decorative gold lacquer, or grey lacquer. The outer surface can use silver lacquer, gold lacquer, enamel, double lacquer, offset printing, clear lacquer, or decorative gold lacquer. These options support branded Turkish delight chocolate box, Turkish candy box, and chocolate tin projects.

Applications and Brand Value

The 3 liter welded side-seam Turkish delight and chocolate tin box can be used for Turkish delight, chocolate, dragees, confectionery, and regional food products. Its wide round surface creates a strong branding area, especially for gift and premium retail packaging. The decorative bead adds visual character, while offset printing supports logos, product graphics, and brand colors. Kontensan combines coating, seam-coating, and printing options with serial production capability, making this tin box suitable for retail, export, corporate gift, and wholesale projects.

Frequently Asked Questions - FAQ

What are the dimensions of the 3 liter welded tin box?

The RA technical sheet lists a 215 mm diameter and 35 mm mold height. The alternative 3 L sample product is listed with an actual product height of 87 mm.

What volume range is available for this tin box?

The technical sheet states an applicable volume range of 1–8 liters for the RA mold.

Is this tin box welded side-seam?

Yes. The technical sheet identifies the body construction as welded side-seam.

What seam-coating options are available?

The technical sheet lists several seam-coating options, including lacquered and powder-lacquered combinations, as well as no seam coating.
