Product Description

5 Liter Welded Side-Seam Candy Tin Pail

The 5 liter welded side-seam candy tin pail PA is a metal packaging solution designed for higher-volume confectionery, dragee, Turkish delight, chocolate, and similar products that need filling, transport, and branded presentation. The PA technical sheet lists a 175 mm diameter, 38 mm main technical height, and an applicable capacity range of 1–7 liters. The product can be supplied as open top or with an unformed pail lid. It includes a pail handle, welded body, and single-bead pail construction. Manufactured by Kontensan, this candy tin pail is suitable for wholesale confectionery packaging, branded metal pails, and custom food packaging. The phrase tin can may also be used as a general search term.

Key Features of the 5 Liter Candy Tin Pail

Ø175 mm Diameter and 1–7 L Capacity Range

This product is part of Kontensan's Food Tin & Metal Packaging main category and the Candy Gift Tin Boxes subcategory. The Ø175 mm diameter and 38 mm main technical height create a compact pail format. The 1–7 L applicable capacity range supports different filling plans within the same mold family.

Pail Lid, Handle and Welded Body

The technical sheet lists two lid configurations: None (open top) and Unformed Pail Lid. A pail handle is included. The body is welded and the form / bead field is listed as Single-Bead Pail. This structure supports practical transport and handling for wholesale confectionery and branded metal packaging.

Seam Coating and Offset Printing Options

Seam coating options include lacquered inside/outside, powder-coated inside with uncoated outside, lacquered inside with uncoated outside, powder-coated inside with lacquered outside, uncoated inside with lacquered outside, or none. Inner and outer coating options also include several lacquer finishes, enamel, clear lacquer, decorative gold lacquer, and offset printing. These options support branded candy tins, custom-printed tin pails, and wholesale confectionery packaging.

Frequently Asked Questions - FAQ

What is the capacity range of the 5 liter candy tin pail?

The PA technical sheet lists an applicable capacity range of 1–7 liters.

Which lid options are available?

The source lists open top and Unformed Pail Lid options.

Does the pail have a handle?

Yes. The technical sheet lists a pail handle.

Can the pail be custom printed?

Yes. Offset printing is listed among the outer coating options, supporting custom-printed candy tin pail projects.
